I. U.S. LAW ENFORCEMENT SUBPOENAS, COURT ORDERS, AND SEARCH WARRANTS

A. Service and Processing of Subpoenas

Subpoenas, court orders, and search warrants (collectively referred to as “subpoenas”) from federal, state and local law enforcement agencies in the United States requesting records relating to money transfers or money orders must name “Western Union Financial Services, Inc.” and may be served by emailing a signed PDF copy of the subpoena to internationalsubpoena@westernunion.com OR mailing them to:

Western Union Financial Services, Inc.
Custodian of Records
Subpoena Manager – HQ 9
7001 E Belleview Ave
Denver, CO 80237

Western Union does not accept service of subpoenas via facsimile.

Upon receipt of a subpoena, Western Union will send an acknowledgment letter, via email, advising receipt of the subpoena and providing an assigned Western Union Subpoena File Number.

All subpoenas must be accompanied by the full name, title, mailing address, email address, phone number and facsimile number of the person and/or entity issuing the subpoena and the full name, title, mailing address, email address, phone number and facsimile number of the person to whom documents should be sent. Without this information, Western Union is unable to process subpoenas.

B. Requests for Money Transfer Records

Western Union's money transfer services include consumer to consumer services and consumer to business services. Such services are offered at agent locations, by telephone and through the Internet. Western Union maintains electronic transaction records that are generally produced to law enforcement on password-protected Excel spreadsheet(s)

Unless otherwise specified in the subpoena, Western Union's response will be limited to a search of Western Union branded money transfer transactions.

If seeking information about money transfers sent to or from an individual, please include all available information on the person (such as address, DOB, ID# or city or state from which the transfer was sent or received) to enable us to better locate responsive records. Please note that Western Union does not typically collect and store social security numbers.

C. Requests for Money Order Records

Law enforcement agencies requesting information about a money order generally must provide the 11-digit money order number in order for Western Union to be able to retrieve them. Western Union cannot search for money orders by purchaser or payee name.

II. RESPONSE TIME/OBJECTIONS FOR U.S. LAW ENFORCEMENT SUBPOENAS

Western Union typically fulfills subpoenas within 30 days after receipt, however, response times may vary depending upon the scope of the subpoena and the types of records requested.

Further, Western Union reserves the right to object to subpoenas that are overbroad, burdensome, vague or implicate privacy, privilege or other legal concerns.
